. If Harman has put as much effort into features and performance as design, then we could have something special on our  
hands.. The sockets are concealed behind a flap and the thin buttons blend in with the black finish to the point where you hardly  
notice them.. Harman Kardon AVR 1 Design The AVR 1 AV receiver The lustrous gloss- black finish oozes hi- tech charm,  
while the curved edges and soft lines bring a level of elegance rarely seen in this market. 34bbb28f04 [Powerpoint For Mac How
